

We value what's important. Your Agribusiness.

Flexibility with FarmPak.

Our diverse FarmPak program provides protection for farm dwellings, buildings, machinery, equipment, livestock and liability. The program's variety of coverage and deductible options ensures you pay only for what you need.

FarmPak includes such necessities as animal collision and farm pollution liability insurance at no extra cost. Grange Insurance Association™ also offers commercial farm auto insurance for both personal and farming vehicles including hired and non-owned coverages. For those seeking more liability protection, we offer commercial farm excess coverage for higher liability limits up to \$5 million over your primary policies.

Please consult with an authorized Grange Insurance Association agent for a FarmPak program quote and a complete list of coverage options and terms.

FarmPak Plus for added protection.

Our FarmPak Plus option allows you to bundle and customize coverage to increase protection for your home, personal property and farm property. This enhanced coverage includes but is not limited to:

- Jewelry and furs
- Firearms
- Watercraft and trailers
- Money and securities
- Business property
- Lock replacement coverage
- Sewer backup
- Ordinance or law
- Pasture fencing
- Miscellaneous equipment
- Living expense protection in the event of a covered loss

Enhance value with GrangePak.

Designed specifically for working farmers, GrangePak provides added protection at discounted premiums for:

- Coverage for unharvested crops
- Increased livestock collision coverage
- Farm property in custody of common carrier
- Farm property in transit
- Motor truck cargo coverage
- Farm machinery extra expense
- Automatic \$100K stack limit for covered hay in the open

Customize coverage with Peak Season.

Our Peak Season Endorsement option allows you to automatically increase or decrease coverage limits throughout the year. This means you don't pay for coverage when you don't need it, and you don't have to call your agent with each harvest or delivery, which saves you time and money while maintaining the right amount of protection.

Our Dairyman's Package.

Our comprehensive packaged Dairyman's Supplemental Coverage Endorsement covers milk contamination, spoilage and accidental spillage, as well as protection against loss or damage to bull semen.

Pollution coverage at no extra cost.

Pollution coverage is included in our FarmPak program at no additional cost to you. The limit can be increased as needed, and other specific pollution coverage may be added, including chemical drift limits and limited crop dusting coverage.

Unscheduled Farm Location coverage.

Designed for farm and ranch operations that buy and lease numerous locations or change holdings yearly, our Unscheduled Farm Location coverage provides liability coverage for all locations you are farming whether listed on the policy or not.
